Христос Воскрес!

Dear Taras,

Congratulations to you and your team for the outstanding planning and performance of the dance spectacular "Hopak in the Park".

I was very impressed with the professionalism which was on display throughout the afternoon. I realise that the organisation of the event took a long time. However, you looked after every detail and everything ran like clockwork.

I was very impressed with the Masters of Ceremony, the dancers and the bands. We, in Australia, should be proud of the fact that each state has such high level performers. If you have a chance please congratulate them from me.

A job well done!

God Bless you,
