

SAVE LOTE UKRAINIAN

LOTE Ukrainian will be suspended as a VCE/HSC/SACE subject unless we can ensure a minimum of 15 students p.a. in 2012, 2013 & 2014.

A LOTE (Language Other Than English) must have a minimum of 15 students at year 12 level in Australia. Ukrainian has had less than that number in the past 3 years and curriculum and assessment authorities do not want to fund the examination process for subjects with insufficient enrolments. Ukrainian will be suspended in 2014 unless we can provide documented evidence of increased Year 12 student numbers.

We appeal to all who value the Ukrainian language: don't allow the work of our predecessors to go to waste!

**Ukrainian HSC/VCE/SACE has been available since 1975
Let's not lose it!**
