Lviv is the best place to spend the autumn, because autumn in Lviv is the time of **art festivals, music concerts, carnivals, museums and theaters**. You will also have the time to visit the most interesting places in Lviv (National Art Gallery, Opera Theatre, ancient mountain High Castle, Open Air Museum ...) World-renown Ukrainian songs, embroidery, ceramics, decorations, and woodcarvings attract many guests to Lviv.

Our two-week intensive Ukrainian courses **“Ukrainian Autumn in Lviv” meet the ALTE (Association of Language Testers in Europe) requirements** with a focus on communications skills. The courses also mix **language learning with unique Ukrainian traditions**. You will have the opportunity to:

- cook and taste Ukrainian dishes
 - take part in Ukrainian traditional activities
 - visit the most interesting places in Ukraine
 - sing Ukrainian traditional and pop songs
 - make a presentation about your native culture and country
 - play in Ukrainian folk and present-day games
- and it is not all!!!

We offer three levels of learning: **Beginner, Intermediate, Advanced**. An entry test helps us to check your knowledge. **Our lecturers** come from the best Ukrainian universities and from renown universities abroad. Each of them have proven teaching experience to both foreigners and native speakers.

The **study program** has been improved over the course of several years, honed to an effective and easy approach for students. The program is flexible depending on each student's level and individual goals. It includes the development of your **speaking, writing, reading and listening** skills.

You can choose the appropriate **accommodation** for you. We have been cooperating with some Ukrainian host families for quite a long time, and we have received good feedback from our students who have lived there. Practically all the family apartments are in the very center of city, about 10-30 minutes walking distance to the instructional facility. You will have a separate room, and a simple breakfast can be included in the accommodation fee. The normal price for staying with a host family is about 10 - 15 EURO per night.

The **Ukrainian intensive course** fee for two weeks costs 270 Euros.

The school fee includes:

- study-process, tutorials
- hand-outs and a certificate
- introduction to Lviv excursion
- a “survival file” (Lviv map, useful information, a program, a notebook, a pen etc)
- coffee breaks

Why in Lviv? — Because Lviv:

- is ancient and a most interesting Ukrainian city for tourists
- is predominantly Ukrainian speaking city (as opposed to Donetsk or even Kyiv)
- is located near the west Ukrainian border
- an inexpensive city (as opposed to Kyiv)
- has a unique multicultural tradition: it combines the Ukrainian, Polish, German, Armenian, Jewish and other cultures
- is modern and progressive city with up to date shops, restaurants, café, theaters, cinemas, universities ...
