The Australian Federation of Ukrainian Organisations (AFUO) calls on all concerned Australians to attend a National Rally in support of Ukraine.

The rally will voice its strong opposition to Putin's aggression in Ukraine.

It will be held in front of the Embassy of the Russian Federation in Australia in Canberra on Sunday May 25, 2014 at 1.00pm - the day of the Presidential elections in Ukraine.

"Avtomaidans" from Melbourne to Canberra and from Sydney to Canberra will also coincide with the Rally. All vehicles will then form an Avtomaidan in Canberra on the day. More details will be provided shortly.

Ukrainian citizens with the right to vote in the Presidential Elections will be able to do so at the Embassy of Ukraine in Canberra on this day.

State committees are in the process of organising buses to Canberra and will provide further details shortly.

The AFUO calls on all our membership and members of the Ukrainian community and broader Australian community to attend this rally.
