

OUR CAMPAIGN FOR
UKRAINE

We are calling on the Commonwealth Government to provide more military aid to Ukraine.

We know Russia's full-scale invasion of Ukraine has had devastating impacts on the Ukrainian people. Ukrainians are being forced to make unbelievable and unbearable sacrifices in the name of peace, freedom and democracy.

**Australia can help end Russia's war
against Ukraine by sending more military aid.**

For more information, please email communications@afuo.org.au

OUR CAMPAIGN FOR
UKRAINE

How you can help

- 1 Write to your local MP and tell them why sending additional military aid is important to you
- 2 Ask your local MP for a meeting, follow up with a phone call
- 3 Ask your friends and family to share their stories with their local MP and join the campaign
- 4 Head to **Ozeukes.com.au** and share on social media

Together, we can end Russia's war against Ukraine.
